

## Product Discontinuation Notification – GERSTEL MPS Autosampler

Dear Valued Customer,

This letter serves as formal notification that GERSTEL GmbH & Co. KG has discontinued the production of all versions of the GERSTEL MPS autosampler (Table 1) and GERSTEL MPS autosampler options and accessories (Table 2).

Replacement Product:

GERSTEL has successfully launched the GERSTEL MPS robotic and robotic pro series.

Table 1: Discontinued Milestones and Dates for all versions of the GERSTEL MPS autosampler

MILESTONE	DEFINITION	DATE
End of Life Announcement Date	The date of the document that announces the end-of-sale and end of life.	December 31, 2010
End of Sale Date	The last date to order the product through GERSTEL and its partners. All versions of the GERSTEL MPS autosampler are no longer available for sale after this date.	December 31, 2010
Last Ship Date	The last possible shipping date.	December 31, 2010
Last Date of Support	The last date to receive applicable service and technical support as entitled by warranty terms and conditions. After this date, all support services for all versions of the GERSTEL MPS are "best effort" only, and the product becomes obsolete.	December 31, 2019
End of Software Maintenance Release date	The last date that GERSTEL may release any final software maintenance releases or bug fixes. After this date, GERSTEL will no longer develop, repair, maintain or test the GERSTEL MPS software.	December 31, 2019

Table 2: Discontinued Milestones and Dates for Options and Accessories for all versions of the GERSTEL MPS autosampler

MILESTONE	DEFINITION	DATE
End of Life Announcement Date	The date of the document that announces the end-of-sale and end of life.	December 31, 2019
